

Sliding fee schedule available.
No one will be denied services for their inability to pay.

Fees for Services

We recognize that quality counseling services is an investment of time, energy, heart and money.

We believe ALL people deserve to receive counseling services across the lifespan, regardless of ability to pay.

- ❑ We understand that you are looking to work with someone who knows what they are doing and who specializes in the issues that you are struggling with.
- ❑ Our clinicians are all licensed or provisionally licensed and/or under the supervision of a licensed clinician with many years of counseling experience.
- ❑ A full 60-minute session can be up to \$300, depending on the service provided.
- ❑ We are in-network with many major insurance companies and will submit claims for you. Your costs for each session depend on the contracted rate that we have negotiated with your insurance company and the cost share/deductible that your plan requires.
- ❑ **We accept cash, check, and credit cards (including HSAs) for payment. You will complete a Fee Agreement you are comfortable signing.**
- ❑ **No one will be denied services for inability to pay. We offer a sliding fee scale and you will be guaranteed counseling services you can afford.**
- ❑ **Insurances include: Wyoming Medicaid, Wyoming Kids' Care CHIP, Blue Cross Blue Shield, Cigna, United Healthcare, UMR, Tricare, TriWest, Aetna, First Health, and possibly more.**
